2/ E/1997/81.

Having heard the statement by the representative of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, [1]

Recalling General Assembly resolutions 1514 (XV) of 14 December 1960 and 1541 (XV) of 15 December 1960, resolutions of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, and other relevant resolutions and decisions, including in particular Economic and Social Council resolution 1996/37 of 26 July 1996,

Bearing in mind the relevant provisions of the final documents of the successive Conferences of Heads of State or Government of Non-Aligned Countries and of the resolutions adopted by the Assembly of Heads of State and Government of the Organization of African Unity, the South Pacific Forum and the Caribbean Community,

Conscious of the need to facilitate the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples,

Noting that the large majority of the remaining Non-Self-Governing Territories are small island Territories,

Welcoming the assistance extended to Non-Self-Governing Territories by certain specialized agencies and other organizations of the United Nations system, in particular the United Nations Development Programme,

Stressing that, because the development options of small island Non-Self-Governing Territories are limited, there are special challenges to planning for and implementing sustainable development and that those Territories will be constrained in meeting the challenges without the continued cooperation and assistance of the specialized agencies and other organizations of the United Nations system,

Stressing the importance of securing necessary resources for funding expanded assistance programmes for the peoples concerned and the need to enlist the support of all major funding institutions within the United Nations system in that regard,

---

[1] E/1997/SR.__.

Reaffirming the mandates of the specialized agencies and other organizations of the United Nations system to take all the appropriate measures, within their respective spheres of competence, to ensure the full implementation of General Assembly resolution 1514 (XV) and other relevant resolutions,

Expressing its appreciation to the Organization of African Unity, the South Pacific Forum, the Caribbean Community and other regional organizations for the continued cooperation and assistance they have extended to the specialized agencies and other organizations of the United Nations system in this regard,

Expressing its conviction that closer contacts and consultations between and among the specialized agencies and other organizations of the United Nations system and regional organizations help to facilitate the effective formulation of assistance programmes to the peoples concerned,

Mindful of the imperative need to keep under continuous review the activities of the specialized agencies and other organizations of the United Nations system in the implementation of the various United Nations decisions relating thereto,

Bearing in mind the extremely fragile economies of the Non-Self-Governing small island Territories and their vulnerability to natural disasters, such as hurricanes, cyclones and sea level rise, and recalling other relevant General Assembly resolutions,

9. Recommends that the executive heads of the specialized agencies and other organizations of the United Nations system formulate, with the active cooperation of the regional organizations concerned, concrete proposals for the full implementation of the relevant resolutions of the United Nations and submit the proposals to their governing and legislative organs;

10. Also recommends that the specialized agencies and other organizations of the United Nations system continue to review at the regular meetings of their governing bodies the implementation of General Assembly resolution 1514 (XV) and other relevant resolutions of the United Nations;

15. Draws the attention of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples to the present resolution and to the discussion held on the subject at the substantive session of 1997 of the Economic and Social Council;

16. Requests the President of the Economic and Social Council to continue to maintain close contact on these matters with the Chairman of the Special Committee and to report thereon to the Council;

17. Requests the Secretary-General to follow the implementation of the present resolution, paying particular attention to cooperation and integration arrangements for maximizing the efficiency of the assistance activities undertaken by various organizations of the United Nations system, and to report thereon to the Council at its substantive session of 1998;
